

# CHERYL TYLER

## LEARNING DESIGNER | EDUCATION ADVISOR | CREATIVE LEARNING AND AI SPECIALIST

### Profile

Senior Learning Designer with over 20 years' experience designing and delivering online and blended learning across government and regulated environments. Experienced in building Articulate Storyline and LMS-based learning objects from analysis through to deployment, working closely with subject matter experts to translate complex operational requirements into clear, usable digital learning. Comfortable operating within tight timeframes and structured governance settings.

#### Relevant Capabilities

- Design and development of Articulate Storyline learning modules
- Scenario-based and decision-focused learning design
- Assessment design and feedback integration
- SME collaboration in operational environments
- LMS deployment, tracking and reporting
- Compliance-aligned and defensible learning solutions

## EXPERIENCE

### EDUCATION ADVISOR – VOLUNTEER SERVICE ABROAD (VSA)

Care International - Lafaek Learning Media - Timor Leste

**2024 - Present**

- Delivered ongoing workshops and one-on-one mentoring for writers, designers, illustrators, and video teams.
- Visited schools in remote areas to pre-test education materials for Lafaek Magazines.
- Collaborated with the Lafaek media team to create and plan professional video content.
- Created an interactive website and learning platform for the team and public.
- Contributed to the development of a mobile app for Lafaek Learning Media children's books.

### LEARNING DESIGNER - MITO

**2023**

- Designed interactive digital learning resources tailored for vocational learners.
- Wrote NZQA assessments for learners.
- Integrated feedback loops and assessments into Storyline modules.

### PRODUCT DEVELOPER - CAREERFORCE

**2016 - 2020**

- Developed and maintained qualifications, unit standards, and assessments across the healthcare and social services sectors.
- Collaborated with internal and external stakeholders to ensure relevance and regulatory compliance.
